Notice to Applicant Regarding

REPLACEMENT OF MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE

SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE

According to your application, you intend to terminate existing Medicare supplement or Medicare Advantage coverage and replace it with a policy to be issued by Blue Cross and Blue Shield of Texas. Your new policy will provide 30 days within which you may decide, without cost, whether you desire to keep the policy. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, and acceptance by the replacing issuer, you find that purchase of this Medicare supplement or Medicare Advantage coverage is a wise decision, you should terminate your present Medicare supplement coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

STATEMENT TO APPLICANT BY BLUE CROSS AND BLUE SHIELD OF TEXAS:

I have reviewed your current medical or health coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement coverage or leave your Medicare Advantage plan. The replacement policy is being purchased for the following reasons:

- Additional benefits.
No change in benefits, but lower premiums.
Fewer benefits and lower premiums.
My plan has outpatient prescription drug coverage and I am enrolling in Part D.
Disenrollment from a Medicare Advantage plan. Please explain reason for disenrollment:
Other (please specify):

- Note: If the issuer of the Medicare supplement policy applied for does not, or is otherwise prohibited from imposing preexisting condition limitations, please skip to statement 2 below. Health conditions which you may presently have (preexisting conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.
State law provides that your replacement policy or certificate may not contain new preexisting conditions, waiting periods, elimination periods or probationary periods. The insurer will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, or probationary periods in the new policy (or coverage) to the extent such time was spent (depleted) under the original policy.
If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the issuer to deny any future claims and to refund your premium as though the policy had never been in force. After the application has been completed and before you sign it, read and review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy until you have received your new policy and are sure that you want to keep it.
