The Benefit Chart of Medicare Supplement Plans sold for effective dates on or after June 1, 2010

These charts show the benefits included in each of the standard Medicare supplement plans. Every company must make Plan “A” available. Some plans may not be available in your state. The Order of United Commercial Travelers of America offers seven of the eleven plans available.

**Basic Benefits:**

**Hospitalization:** Part A coinsurance plus coverage for 365 additional days after Medicare benefits end.

**Medical Expenses:** Part B coinsurance (generally 20% of Medicare-approved expenses) or copayments for hospital outpatient services. Plans K, L and N require insureds to pay a portion of Part B coinsurance or co-payments.

**Blood:** First three pints of blood each year.

**Hospice:** Part A coinsurance

**\*Plan F also has an option called a high deductible plan F. This high deductible plan pays the same benefits as Plan F after one has paid a calendar year \$2180 deductible. Benefits from high deductible plan F will not begin until out-of-pocket expenses exceed \$2180. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy. These expenses include the Medicare Deductibles for Part A and Part B, but do not include the plan’s separate foreign travel emergency deductible.**
