Aetna Medicare is a HMO, PPO plan with a Medicare contract. Our SNPs also have contracts with State Medicaid programs. Enrollment in our plans depends on contract renewal. See Evidence of Coverage for a complete description of plan benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by service area. Out-of-network/non-contracted providers are under no obligation to treat Aetna members, except in emergency situations. Please call our member services number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services. The formulary, provider and/or pharmacy network may change at any time. You will receive notice when necessary. Aetna Medicare's pharmacy network includes limited lower cost, preferred pharmacies in: Suburban Arizona, Suburban Illinois, Urban Kansas, Rural Michigan, Urban Michigan, Urban Missouri and Suburban West Virginia. The lower costs advertised in our plan materials for these pharmacies may not be available at the pharmacy you use. For up-to-date information about our network pharmacies, including whether there are any lower-cost preferred pharmacies in your area, members please call the number on your ID card, non-members please call 1-833-859-6031 (TTY: 711) or consult the online pharmacy directory at [AetnaMedicare.com/findpharmacy](https://www.aetnamedicare.com/findpharmacy). You can call the number on your ID card if you do not receive your mail-order drugs within this timeframe. Members may have the option to sign-up for automated mail-order delivery. Pre-enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-833-859-6031 (TTY: 711)**. From October 1 to March 31, we're here 8 AM to 8 PM, 7 days a week. From April 1 to September 30, we're here 8 AM to 8 PM, Monday through Friday.

Understanding the benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit **AetnaMedicare.com** or call **1-833-859-6031 (TTY: 711)** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they aren't listed, it means you'll likely have to select a new doctor.
- If you're enrolling in a plan with prescription drug coverage:** Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you'll likely have to select a new pharmacy for your prescriptions.

Understanding important rules

- If you're enrolling in a plan with a monthly premium:** In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium (unless your Part B premium is paid for you by Medicaid or another third party). This premium is normally taken out of your Social Security check each month. The Part B premium is covered for full-dual members.
- Benefits, premiums and/or copayments/coinsurance may change on January 1, 2023.
- If you're enrolling in an HMO plan:** Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who aren't listed in the provider directory).
- If you're enrolling in a PPO plan or other plan that offers out-of-network coverage:** Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you may pay a higher copay for services received by non-contracted providers.
- If you're enrolling in a D-SNP plan:** This plan is a Dual Eligible Special Needs Plan (D-SNP). Your ability to enroll will be based on verification that you're entitled to both Medicare and medical assistance from a state plan under Medicaid.
