#### What you should know

- **Primary Care Physician (PCP):** A PCP is important for helping to coordinate care and this plan requires you to select a PCP. When you enroll, we'll ask who your PCP is. If you don't tell us, we'll assign one to you. You can always change the PCP by calling us or logging into your member portal.
- **Referrals:** In most cases, your PCP must give you approval before you can use other providers in the network. You don't need a referral for emergency or urgently needed care.
- **Prior authorizations:** Your provider will work with us to get approval before you receive certain services or drugs. Benefits that may require a prior authorization are listed with an asterisk (\*) in the benefits grid.

Aetna, CVS Pharmacy<sup>®</sup> and MinuteClinic, LLC (which either operates or provides certain management support services to MinuteClinic-branded walk-in clinics) are part of the CVS Health family of companies.

Aetna Medicare is a HMO, PPO plan with a Medicare contract. Our DSNPs also have contracts with State Medicaid programs. Enrollment in our plans depends on contract renewal.

See Evidence of Coverage for a complete description of plan benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by service area. Out-of-network/non-contracted providers are under no obligation to treat Aetna members, except in emergency situations. Please call our member services number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services. The formulary, provider and/or pharmacy network may change at any time. You will receive notice when necessary. Aetna Medicare's pharmacy network includes limited lower cost, preferred pharmacies in: Suburban Arizona, Suburban Illinois, Urban Kansas, Rural Michigan, Urban Michigan, Urban Missouri and Suburban West Virginia. The lower costs advertised in our plan materials for these pharmacies may not be available at the pharmacy you use. For up-to-date information about our network pharmacies, including whether there are any lower-cost preferred pharmacies in your area, members please call the number on your ID card, non-members please call 1-833-859-6031 (TTY: 711) or consult the online pharmacy directory at AetnaMedicare.com/findpharmacy. For mail-order, you can get prescription drugs shipped to your home through the network mail-order delivery program. Typically, mail-order drugs arrive within 10 days. You can call the number on your ID card if you do not receive your mail-order drugs within this timeframe. Members may have the option to sign-up for automated mail-order delivery. Members who get "Extra Help" are not required to fill prescriptions at preferred network pharmacies in order to get Low Income Subsidy (LIS) copays. Participating physicians, hospitals and other health care providers are independent contractors and are neither agents nor employees of Aetna. The availability of any particular provider cannot be guaranteed, and provider network composition is subject to change.
