

This chart shows the benefits included in each of the standard Medicare supplement plans. Every company must make Plan “A” available. Some plans may not be available. Only applicants first eligible for Medicare before 2020 may purchase Plans C, F, and High Deductible F.

Blue Cross and Blue Shield of Texas does not offer those plans shaded in gray below.

¹ Plans F and G also have a high deductible option, which require first paying a plan deductible of \$2,800 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare Part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

² Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

³ Plan N pays 100% of the Part B coinsurance, except for a copayment of up to \$20 for some office visits and up to a \$50 copayment for emergency room visits that do not result in an inpatient admission.
