I. Agreement and Authorization

IMPORTANT STATEMENTS

- You do not need more than one Medicare supplement certificate.
- If you purchase this certificate, you may want to evaluate your existing health coverage and decide if you need multiple coverage.
- You may be eligible for benefits under Medicaid and may not need a Medicare supplement certificate.
- If, after purchasing the certificate, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement certificate can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement certificate (or, if that is no longer available, a substantially equivalent certificate) will be reinstituted if requested within 90 days of losing Medicaid eligibility. If the Medicare supplement certificate provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your certificate was suspended, the reinstituted certificate will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for, and have enrolled in a Medicare supplement certificate by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement certificate can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement certificate under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement certificate (or, if that is no longer available, a substantially equivalent certificate) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement certificate provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your certificate was suspended, the reinstituted certificate will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

WoodmenLife®

NOTICE TO APPLICANT REGARDING REPLACEMENT OF MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE

Save this notice! It may be important to you in the future.

According to your application, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a certificate to be issued by Woodmen of the World Life Insurance Society. Your new certificate will provide thirty (30) days within which you may decide without cost whether you desire to keep the certificate. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new certificate.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, and acceptance by the replacing insurer, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate the benefits provided under this certificate.

Statement to Applicant by Issuer, Agent, Broker or Other Representative:

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement certificate will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement coverage or leave your Medicare Advantage plan. The replacement certificate is being purchased for the following reasons:

Applicant A	**Applicant B**
_____ Additional benefits	_____ Additional benefits
_____ No change in benefits, but lower premiums	_____ No change in benefits, but lower premiums
_____ Fewer benefits and lower premiums	_____ Fewer benefits and lower premiums
_____ My plan has outpatient prescription drug coverage and I am enrolling in Part D	_____ My plan has outpatient prescription drug coverage and I am enrolling in Part D
_____ Disenrollment from a Medicare Advantage Plan (Please explain reason for disenrollment)	_____ Disenrollment from a Medicare Advantage Plan (Please explain reason for disenrollment)
_____ Other (please specify)	_____ Other (please specify)
_____	_____
_____	_____
_____	_____

1. Health conditions which you may presently have may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under the present policy.
2. State law provides that your replacement policy or certificate may not contain new preexisting conditions, waiting periods, elimination periods or probationary periods. The insurer will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods or probationary periods in the new policy for similar benefits to the extent such time was spent under the original policy.
3. If, you still wish to terminate your present policy or certificate and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the Company to deny any future claims and to refund your premium as though your certificate had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy or certificate until you have received your new certificate and are sure that you want to keep it.

NOTICE TO APPLICANT REGARDING REPLACEMENT OF MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE

Save this notice! It may be important to you in the future.

According to your application, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a certificate to be issued by Woodmen of the World Life Insurance Society. Your new certificate will provide thirty (30) days within which you may decide without cost whether you desire to keep the certificate. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new certificate.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, and acceptance by the replacing insurer, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate the benefits provided under this certificate.

Statement to Applicant by Issuer, Agent, Broker or Other Representative:

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement certificate will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement coverage or leave your Medicare Advantage plan. The replacement certificate is being purchased for the following reasons:

1. Health conditions which you may presently have may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under the present policy.
2. State law provides that your replacement policy or certificate may not contain new preexisting conditions, waiting periods, elimination periods or probationary periods. The insurer will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods or probationary periods in the new policy for similar benefits to the extent such time was spent under the original policy.
3. If, you still wish to terminate your present policy or certificate and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history.
