**Notice To Applicant Regarding** REPLACEMENT OF MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE

### SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE

According to your application, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a policy to be issued by ManhattanLife Assurance Company of America. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy. You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

STATEMENT TO APPLICANT BY AGENT: I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare Supplement policy will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement coverage or leave your Medicare Advantage plan. The replacement policy is being purchased for the following reasons: Additional benefits. ☐ No change in benefits, but lower premiums. ☐ Fewer benefits and lower premiums. ☐ Change in benefits. (Gaining additional benefit(s) but losing some existing benefit(s)). ☐ My plan has outpatient drug coverage and I am enrolling in Part D. ☐ Disenrollment from a Medicare Advantage plan. Please explain reason for disenrollment. ☐ Other (please specify) If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded. Do not cancel your present policy until you have received your new policy and are sure that you want to keep it. Signature of Agent, Broker or Other Representative Typed Name and Address of Agent
